Subject: Rescheduling of IPHEX-2019 : India's Mega Pharma Exhibition to 10-12th June 2019, Gandhinagar, Gujarat

Dear H.E. Shri M. Sevala Naik,

Pharmaceuticals Export Promotion Council of India presents its compliments to the High Commission of India, Kingston, Jamaica.

At the outset, we take this opportunity to thank you for showing immense support to IPHEX-2019 which was scheduled during 10-12th April 2019. Infact IPHEX-2019 has so far registered the maximum number of exhibitors and Overseas Visitors in comparison with earlier editions.

In view of the dates of general elections coinciding with one of the days of exhibition and the entire election process getting over by 23rd May 2019, organising IPHEX-2019 on the present scheduled date would be extremely difficult.

We are therefore constrained to reschedule the dates of exhibition to 10th-12th June 2019.

We deeply regret the inconvenience caused. We continue to look forward to your support in our important activities.

We have already informed the same to the delegates who have registered for visiting IPHEX 2019. We kindly request you to circulate this information to the prospective participants/Chambers/ Association and other Agencies. .

Looking forward for kind support.

With best regards

Uday Bhaskar
