

CBIS

CERAMIC & BATH INDUSTRY SHOW

Your Gateway
to the **New World of Ceramics**

18th to 20th January, 2024

**India International Convention &
Expo Centre (IICC), New Delhi, India**

A GREAT MILESTONE ACHIEVED

“With the success of CBIS expo 2023, the next edition is set to be bigger and better than ever.”

Ceramic & Bath Industry Show – The 1st edition of India’s Only and South Asia’s Premium Expo on Ceramic Tiles, Sanitary Ware, Bath Fittings and Natural Stone held from 26th to 28th January 2023 at the Jio World Convention Centre, Mumbai turned out to be a huge success.

The expo witnessed a massive footfall of Architects, Developers, Dealers and Distributors, Retailers, Contractors, Interior Designers, Hotel Procurement Heads, HNIs and Global Industry Stakeholders who opened new doors of business for the exhibitors.

Based on the overwhelming response received from the maiden event, the organizer is certain that the next edition is going to be greater than ever, standing as one of the most promising and notable trade fairs in the country.

THE NEXT CHAPTER

“Connecting Businesses, Building Partnerships”

The Ceramic & Bath Industry Show (CBIS) is a one-of-a-kind platform that unifies key stakeholders in the ceramic tiles, sanitary ware and natural stones industry. From domestic & international buyers to top ceramic manufacturers of India, the expo is aimed at strengthening business relations between countries and promoting local businesses by enabling one on one networking with industry moguls.

CBIS 2024 is a global event which will pave the way for new product launches providing great exposure to India’s leading brands in order to effectively penetrate in the regional and international markets.

KEY OUTCOME FOR YOUR BUSINESS

1

Connect with top ceramics, sanitary ware and bath fittings manufacturers under one roof

2

Witness the latest designs and product offerings

3

Directly meet industry stakeholders to build business relationship

4

Explore a wide range of products such as wall tiles, floor tiles, PGVT, slabs tiles, sanitary ware, natural stones, etc. manufactured by India’s state of the art units in Morbi

It's time to introduce India's potential to the world at CBIS 2024
